Good evening welcome back to the Mackoy Stadium for the Emirates FA Cup 3rd Qualifying round match verses Walton Casuals. The Stags play in the Southern League Premier Division and it will be a tough task for us to achieve our best qualification in the competition and reach the 4th qualifying round. At this stage of the competition everyone dreams of reaching the 1st round proper so our priority is to ensure we are in the hat for Friday's draw. If we can get the same result as our last home game a dramatic late winner against Highworth Town will get us one step closer to that dream of the 1st Round.

Since our last home game we have had 3 games in 8 days first up was a long trip to Cornwall to face a potential banana skin against step 6 side Saltash United but a Dan Mason hatrick in cold blustery conditions set us up for tonight's fixture. Then it was back to League action with an away game at Winchester City's ground to face Basingstoke Town before they move in to their new home at Winklebury. The result on the night showed why Basingstoke have got off to a good start with a brace from George Reid which inflicted our 2nd defeat of the season. So next up it was another big game away to league leaders Cirencester Town unbeaten in 4 games and no goals conceded on their 3g pitch always a big ask but the boys showed grit and determination to take all three points with two sweet strikes from Brad Targett and Marvin McLean who is nearing his 700 appearance for the club.

You will see more changes at the ground again since our opening friendly with Salisbury we now have the QR Track and Trace code around the ground so it is easier for you to register upon your arrival at the Mackoy Stadium. We are also indebted to our matchday volunteers who are also doing stewarding duties in order we can enjoy watching football safely in this current climate.

Also a reminder we now have the clubhouse open every Saturday morning for breakfasts etc, your support of Sholing FC is really appreciated. Towards the back of tonight's programme you will see the menus for the tea bar and the bar. On match day's we will only be serving food from the outside window. In the clubhouse you will need to wear a mask as per current government guidelines then go and be seated at a table the staff will then serve you from the table as no ordering will be allowed from the bar. Another reminder we like pubs and restaurants have to close by 10:00pm on midweek matches there is the possibility of moving the kick off times but this has to be agreed with the travelling opposition as most have at least a 2 hour trip to get to us and us likewise when we travel away.

Our U23's have got of to an indifferent start to the season and have now had a home defeat to Hamble Club and last week faced and lost to a strong Gosport Borough U23 side despite taking an early lead on 3 minutes from 16 yr old James Lipscomb. This Thursday they are home to North Waltham. In the last two weeks Patrick McGonigle has stepped down as U23 manager with Sam Scott stepping in with the help of Paul Judd & Ryan Judd we wish them well with the future development of our U23's. Also congratulations to Paul Judd who had his Hampshire U16 final held over from last season, they beat a strong Winchester City team on penalties to lift the trophy for the 1st time at U16 level.

*Greg ~ Sholing FC Secretary*

# Captain's Corner

With the disappointment of an early end to last season when we were progressing in the right direction towards a possible playoff spot. Its been a strange start to the season because we've won 7 out of 9 games but we still feel disappointed because of the two league losses we have. We know we have the team to challenge for this league but if we don't have the consistency we won't get anywhere near.

We know from now on we have to be at it 100% for all games not just the big cup games! We are known for clean sheets so it was good to get one Saturday and now to build on that, we also need to be more clinical in front of goal and the boys know that. Its just now down to us to put this into motion rather than talking about it, consistency is key! This is a big week for us to state our intentions on where we need to be.

Also a special thanks to our supporters who follow us home and away you are also key to our success

*Byron*

## From the bench

*Saturday saw another good away day for Sholing and we were good value for our 2-0 win over a very good Cirencester side especially when your pre match selection is thrown into disarray with players unavailable.*

*The season has seen us get good away wins at Evesham United and Cirencester as well as our cup wins all away. Tonight's game gives us the opportunity to make more history for Sholing FC in front of another large gate as well as the TV cameras but our focus will be to insure we are in the hat for Friday's draw. Hopefully we will have a near full squad to select from with TJ still a doubt. Some players have now dual signed in order to get valuable game time Rafa Ramos (Bemerton HH) & James Lauder (Hythe & Dibden). Tonight starts a big run of home games for us as always your support is most valuable.*

*Diapes*

# The Stags History

World War two officially ended in September 1945 and the United Kingdom's newly elected labour government's top priority was to get all the people that had been conscripted, together with those that had enlisted on duration of emergency engagement into the armed forces and also those that had been called up to work full-time in the war emergency services, back into civilian life as quickly as possible. Unfortunately this demobilisation exercise was to take two years or more to complete but gradually over this period of time these people returned to their home towns and villages.

Our narrative starts on the council housing estate in Walton-on-Thames comprising Selwyn Green, Selwyn Road, Rodney Road, Cromwell Road and the top end of Ambleside Avenue which saw the gradual arrival home of these demobbed lads now called ex- service men. As their numbers increased they resumed their pre-war leisure activity of the football kick about on Selwyn Green. Looking for competitive football they decided to form a team to play then illegal Sunday football as the Football Association was not to recognise and authorise Sunday football until the 1960's. They decided to call this team White City F.C. as the outside walls of the houses on their estate were coloured white and for the next two seasons 1946-47 & 1947-48 played friendly matches against other illegal Sunday teams in the Walton, Hersham, Weybridge, and Shepperton area.

These White City lads used the Builders Arms, renamed the Wellington public house on the corner of New Zealand Avenue and the High Street as their local and in many discussions over a pint they decided they wanted competitive football. They wanted to become a legal Saturday club and play in league and cup competitions.

The inaugural meeting was held in the restaurant in the Builders Arms in July 1948 and the chairman of the meeting was Mr E.F. (TED) Johnson. The members present unanimously agreed they become a Saturday club but wished to continue with the name White City F.C. It was pointed out that the Surrey County F.A. were very strict on club names and also White City did not define the district were the club played, as it was a sports stadium in West London built in 1908 to host the Olympic Games. Further names were suggested and finally the name Walton Casuals Football Club was wholeheartedly agreed by the members present and our home ground would be Elm Grove.

The Casuals first season in competitive football was in the Surrey Intermediate Central Division and the club's first game was against Watney's Sports Reserves, which they won 5-4. We finished in 9<sup>th</sup> place out of 11 teams though the team did reach a cup final played on Kingstonians old Richmond Road ground in which we lost 3-1 to Surbiton Town Res.

The Casuals remained in the Surrey Intermediate leagues up till 1969 and had reasonable success gaining promotion to the Premier Division in 52-53 season and finishing runners up on three occasions 54-55, 56-57, 64-65. Several club records still stand from those days, Ray Johnson's 7 goals in a game against West Byfleet Res in our 11-2 victory in February 1953, and the 1<sup>st</sup> team's highest score of 12-0 in 1953, this was later to be equalled in the Suburban in 1987. Several players also represented the league side, the most notable being the late life vice-president Terry Woodyatt, also life vice-president Neil Virgo won the linesman's cup.

In 1969 the Casuals joined the new Surrey Senior league and moved to their new home at Franklyn Road, just two years later the Casuals became founder members of the newly formed Suburban football league and stayed to the end of the 91-92 season, being the only first team to play in the competition as it was for most senior clubs reserve teams. Our first season in the newly formed league saw us play our home games at Walton & Hersham ground at Stompond Lane, then into Liberty Lane, home of Addlestone F.C., for eight seasons then returning to Franklyn Road where the res team had remained. Our first major honour came in the 1982-83 season as manager Kim Harris guided the club to the Suburban Southern section championship while also setting a league record of an impressive 23 games unbeaten. Casuals could only manage a second place finish the following year to Sutton Utd.

The 1986-87 season produced another impressive display as the Stags reached the Surrey Premier Cup Final losing to a strong Croydon side in the final at Dorking.

After 23 years in the Suburban league the club decided to leave and join the English pyramid system and were elected members of the Surrey Senior League. After a year of consolidation major changes took place on and off the field at Franklyn Road. We became sole tenants of the sports ground and the ground became enclosed. Kim Harris returned as manager and the club expanded into Sunday and youth team football.

The club saw great success in the following years lifting the Surrey Premier league cup during the 93-94 season, defeating Holmesdale 2-0 after a replay. The following year the club finished runners up to Chobham in the league and lost to Vandyke in the Premier cup final. While competing for the league and cup double major work was going on at the ground, hard standing round the pitch, covered stand for spectators and re designing of the dressing rooms plus boardroom. All requirements for us to be promoted to the Combined Counties League and become a Senior club.

Senior football proved tough for the Casuals and the early years in the league we were regularly in the bottom half, finishing bottom in 1996-97. Fortunately relegation was avoided as the Combined Counties League exercised its prerogative to maintain a minimum number of clubs in the premier division. In February 1999 flood lights were installed at the club with the financial help from local charities, a major step for us to maintain our progress up the league pyramid system. They were duly opened when a Brighton and Hove Albion team visited us later that year.

The appointment of Mick Sullivan and Garry Clarke as joint managers in the summer of 1999 brought a dramatic improvement in terms of results. As well as a 5<sup>th</sup> place finishing the league the club won the league cup in 2000 beating Viking Greenford in the final 4-2 at Farnborough. The following season was reasonably successful finishing 7<sup>th</sup> and losing in the league cup final to double winners Cove. Although 2002-03 proved to be disappointing with the club finishing a lowly 18<sup>th</sup> spot the seeds of success had been sown with Spencer Collins taking over as manager in November 2002. As a team capable of much better, things slowly begun to take shape. 2003-04 also saw Mr Tony Gale, ex-premier footballer and Sky football pundit, become director of football at the club. Off the pitch the club was not standing still, fortunately with the newly formed A.F.C. Wimbledon in our league and large crowds wherever they went following them, there was big money to be made on our home games against them. We played them three times at home and gate receipts from those three games were around the £30000 mark and all the proceeds were spent on developing the ground. Further covered standing behind both goals including covered seating for 150 spectators were added, plus general work to the club house, all being ready for what we hoped would be our next step up the pyramid.

2004-2005 proved to be our greatest season to date, not only did we take the league by storm finishing 23 points clear at the top of the table but after initially failing an F.A. ground inspection the club launched a successful appeal and achieved the dream of promotion to the Ryman League Division one for season 2005-2006.

The 11 years we have now been in the Ryman league have been tough, only finishing in the top half on one occasion and we have had very little success in the F.A. Cup competitions but the future looks very bright for the Casuals. All being well the new sports hub at Waterside Drive should be ready for season 2007-2018. The sports hub will have two full size 3g pitches plus an 8 lane running track with a new spectator stand with all modern facilities plus up to 8 junior pitches for our junior section which has 35 plus teams and the first team has the strongest manager and back room staff since we joined the Ryman.

### **THE CLUB BADGE**

The present club badge is a modification of the club's original one introduced in 1973. The original badge, in addition to its other heraldic features, had centrally imposed on the shield a stag, standing and facing left.

The reason for the stag was twofold :

(1) In Walton (St Mary's) parish church there is an old brass which commemorates "John Selwyn gent keeper of her matis parke of Oteland vnder ye right honourable Charles Howard Lord Admyrall of England his good Lord and Mr.". On the brass it shows John Selwyn killing a stag, it is believed but not confirmed, during a visit by Queen Elizabeth 1st in 1587.

(2) In the 1920s when a newly-built council housing estate was erected in Walton-on Thames John Selwyn was remembered when both Selwyn Green and Selwyn Road were named in his honour. It was on Selwyn Green that the founder members of Walton Casuals Football Club played their football and were inspired to form our club. In the early 1990's one or two new club members didn't realise that the club had a badge and designed a new one that didn't include the stag. When they were told of the relevance of the stag the new badge was changed and now includes a stag's head

## What is Pitching In?

Pitching In is, according to the website, a corporate responsibility arm of GVC Holdings which is 'a major new multi-million-pound investment programme designed to support and promote grassroots sports. The programme launches at a time when football clubs and sporting organisations are facing an unprecedented impact on their finances of the COVID-19 pandemic.'

### What is Pitching In?

The programme is in short supplying financial support as well as aiming to facilitate and encourage community volunteers to 'pitch in'.

None other than former England and Nottingham Forest captain Stuart Pearce.

### ***So no more betting companies?***

Well, yes and no. Certainly, there will be no more betting ads on club websites, no restrictions around who can and can't see advertising and essentially, a whole lot less stress for club administrators.

The business behind Pitching In though, GVC Holdings is one of the biggest sports-betting and gaming groups including brands like Coral and Ladbrokes.

**BUT!** The sponsorship provided by Pitching In will not include any promotion of betting or gaming brands. According to the companies website: “

In line with the decision taken by GVC in 2019, to unilaterally pull-out of sponsorship of football in the UK, the *Pitching In* partnership will not promote any of the Group's betting or gaming brands and no branding will be used at any of the leagues' grounds. "Where GVC will contribute its expertise to deliver extensive educational programmes on responsible gambling and sports integrity to all of the leagues' clubs."

# Sholing Football Club History

The Boatmen have a long but fragmented history, running teams from the Woolston Works as early as 1884, when they are recorded as being refused permission by the Hants & Dorset FA to introduce fresh players as substitutes at half-time.

In March 1887 they were finalists in the first Portsmouth Challenge Cup, beaten 1-0 by Portsmouth Association Club. The Club were only beaten twice in 16 games that year (goal tally 72-6) and won the last Hants & Dorset Challenge Cup before these Associations split.

Woolston Works won the first ever Hampshire Senior Cup Final in 1888, beating Winchester 2-0. There was some controversy that year concerning Woolstons professional attitude, which was infamously referred to as "Kesson's Boots". Andover were beaten in an earlier round by Woolston, in which a Glasgow - based player called J. Kesson played a prominent part.

Andover protested that Kesson should be disqualified on the grounds of residency - although he had played for Woolston Works earlier that season, he had since moved back to Glasgow. Woolstons appeal rested on the fact that Kesson had left a number of clothing items at his lodgings in Woolston, and this should be interpreted as his intention to return. The Hampshire FA upheld the appeal and allowed Kesson to play.

Re-forming after World War 1 as Thornycrofts (Woolston), they turned professional and were admitted into the Hampshire County League from 1920/21 to 1925/26. In 1920/21 Thornycrofts reached the FA Cup First Round proper, meeting first Division Burnley at Fratton Park, and held them to a 0-0 draw, before losing 5-0 in the replay. Burnley were in the middle of a 30 game unbeaten run and went on to win the first Division Championship.

Thornycrofts Woolston re-formed in 1947 but were only able to keep going until 1952. The Club were re-formed as Vosper Thornycroft FC in 1960 and joined the Southampton Junior League. After several successful years, Vospers were promoted to the Hampshire League Division 3 in 1991. The following season they were promoted to Division 2. 1997/98 saw Vospers as Hampshire Division 2 Runners-up and also Hampshire Intermediate Cup Winners.

In **2001/02** Vospers won the Southampton Senior Cup.

**2002/03** Vospers were re-named as VT FC (after the parent company), and saw the Club as Runners-up in the Southampton Senior Cup.

**2003/4** saw VT as Hampshire Premier League Champions, Southampton Senior Cup Winners and promotion to the Sydenhams Wessex League Division 1.

**2005/06** VT Reserves won the Southampton Senior Cup at St Mary's Stadium which gave the club their 3rd victory in 5 years.

**2006/07** was a great season for the club. The first team finished in third place and the reserves finished runners-up in Combination 1 and they also won the Southampton Senior Cup again. The Club's 4th victory in 6 years.

**2007/2008** The 1st team were Runners-up to Totton in the Premier League and the Reserves won 3 out of 4 trophies. They are the Sydenhams (Wessex) Combination 1 League Champions, the Southampton Senior Cup Champions (for the third consecutive year) and the Sydenhams (Wessex) Combination Cup Champions. They missed out on the Hampshire Intermediate Cup by losing to Nursling in the semi-final which was the ONLY defeat they suffered all season. An achievement to be proud of.

**2008/09** was equally a very successful season with the first team again Runners-up in the Wessex Premier, this time to Poole Town. They were Wessex League Cup Winners with a close 2-1 victory over Hamworthy United. Runners-up in the Hampshire Senior Cup with a narrow 1-0 defeat against Fleet Town. Reserves again won Wessex Combination 1 and the U18 Youth team made a clean sweep winning four trophies i.e The League, The League Cup, The Hampshire FA Youth Cup and the Echo Floodlit Cup....what a great season.

**2009/10** In our very first season in the Zamaretto Southern League we finished a creditable 4th (play-off position) in the South & West Division and finished Runners-up in the Red Insure League Cup after going so close and finally losing on penalties to Cambridge City. The Reserves regained the Southampton Senior Cup at St Mary's defeating Team Solent 2-0....the sixth time in the last ten years the Club has won it.

The Club changed their name in July 2010 to **Sholing FC** after the parent company VT Group were no longer in existence.

**2010/11** In only their second season in the Southern League South & West, the 1st team reached an incredible 2nd place, only 2 points behind AFC Totton. Also Hampshire Senior Cup Finalists at St Marys losing 3-1 to AFC Totton. The Reserves gained an incredible Double by winning the Wessex Combination League and League Cup in its Final year.

**2011/12** For the third season on the trot we once again reached the playoffs only to fall at the first hurdle by a 1-0 away defeat by Gosport. The reserves copied last year's achievement by winning the League and League Cup in the newly formed Wyvern League.

**2012/13** Despite being bottom of the league just before Christmas, the first team went on an incredible run in the second half of the season and finished 7th in the Southern League South & West. The Reserves once again won the Wyvern League, this time going unbeaten the whole season.

The club made the difficult decision to voluntarily drop out of the Southern League South & West (step 4) and into the Wessex League Premier (step 5). With the focus of the club turning to developing the Silverlake Arena, we didn't want

to financially extend ourselves and sink into debt.

**2013/14** Back in the Wessex League Premier Division saw the club playing lots of old local rivals and the first team got off to a storming start to the season and it wasn't to be until February when we were first defeated. However, due to terrible weather & cup commitments, the club barely played in January & February, meaning a huge backlog of fixtures in the final weeks of the season. Despite having to play 20 games in 30 days, including NINE successive away games, Sholing won the League with 104 points and a goal difference of +105.

The Reserves made it a hat-trick of Wyvern League titles in the most thrilling way, scoring a goal in injury time in the last game of the season, to deny Portchester the title. They also won the Southampton Senior Cup at St Mary's.

Of course, the **FA Vase win** will be what most people will remember from this season, the greatest honour in the club's history. Back in October as we faced Winchester in the 1st round, no one was dreaming of Wembley, but as the rounds were ticked off, we started to get the feeling that this would be our year. So on the 10th May 2014 at the home of football, Wembley Stadium, backed by over 3,000 fans, Marvin Mclean scored the only goal and Byron Mason & Dave Diaper lifted the Vase. In a whirlwind of activity that followed, the team paraded the FA Vase in front of the Southampton FC fans at St Mary's, were given an official reception by the Mayor of Southampton and appeared on both local TV stations.

After 15 years in charge of the first team, Dave Diaper handed over the reins to Dave Fear & Mick Marsh, in order to concentrate on the Ground redevelopment (for which the club has kindly received backing and grants from Sport England & the FA to build a new clubhouse and 3G pitch). We also said a fond goodbye to players Marc Diaper, Tyronne Bowers & Lee Bright, who all decided to "retire at the top" after Wembley. After 37 years as Secretary and then becoming Vice President we lost Arthur Fox to cancer but he achieved his dream by attending the Wembley final.

**2014/15** Club was granted promotion back into the Southern League South & West division. After 21 matches in charge Mick Marsh & Dave Fear stepped down from their managerial role leaving Chairman Dave Diaper to step back into the fray alongside Stuart Hussey. Sholing finished in 17<sup>th</sup> position having been in that position for 32 weeks. Sholing reached the semi-final Russell-Cotes cup and the final of the Hampshire Senior Cup losing out 3-0 to Gosport Borough at Fratton Park. Ground grading issues saw Sholing relegated back to the Wessex League.

The Reserves much like the 1<sup>st</sup> team had a change of management part way through the season with Martin Tongs stepping up from U18's to take charge. The Wyvern title eluded them this season losing out to AFC Portchester and had to settle for runners up and the two cup competitions saw them runners up again to Petersfield Town in the League Cup but were successful in the John Stimpson Memorial Shield beating AFC Totton.

**2015/16** Following a ground grading issue Sholing returned back to the Sydenhams Wessex League. Sholing welcomed Darren Burdle into the coaching staff. A remarkable season for Sholing as ten players from within the under 18 ranks made their first team appearances something that has never happened before. Cup disappointments meant the season was all about the League and Sholing finished the season Runners Up to Salisbury losing one home League game which was our first game against Moneyfields the only team to do the League double over us. Dan Mason was pipped by former Sholing striker Sam Wilson on the final day of the season to deny Dan being the League's leading scorer.

**2016/17:** Behind the scenes saw another change in management within the Development side with Iain Calder Steve Ross & Steve Blackburn taking over the reins. Finishing 4<sup>th</sup> in the League and reaching S/F of JSMS & ¼ Final of SDFA Sen Cup. Sholing FC were rocked in Dec 16 with the sudden death of Coach Darren Burdle aged 50. Sholing FC finished season 3<sup>rd</sup> with Dan Mason again being the leading marksman. Sholing completed a cup double winning the Sydenhams Wessex League Cup then 52 hrs later lifted the SDFA Senior Cup for the 9<sup>th</sup> time at St Mary's.

**2017/18:** The season like last season saw changes in management with Development manager Iain Calder stepping up to 1<sup>st</sup> team coach. Steve Blackburn & Curtis Osbourne along with Steve Ross took on the Development role and took the U18's to the 1<sup>st</sup> Round of the FA Youth Cup. Steve & Curtis left the club midseason with Patrick McGonigle and Steve Terry doubling up their roles with U18'S and Development with Steve Ross. The 1<sup>st</sup> team finished third in the Sydenhams Wessex League and failed to defend both trophies losing out in the semi-finals in both competitions. The Development side finished mid-table with many U18's stepping up to the Development side. The U18's won the HCY League Cup and a number of the U18'S featured in 1<sup>st</sup> team games.

**2018/19:** Sholing won the Sydenhams Wessex League title with 8 games remaining of the season & promotion back to Bet Victor Southern League South a winning double was achieved beating Christchurch to win the Russell-Cotes Cup for the 1<sup>st</sup> time in their history. The Reserves finished runners-up in The Wyvern Combination League Premier Division with the U18's losing out on penalties to Moneyfields in HCYL League Cup Final.

**2019/20:** After a slow start in the league, the Boatmen picked up form after Christmas and quickly climbed from the bottom 3 to 10th place and were looking good for a possible late run for the play-offs, before the season was sadly halted by the Coronavirus outbreak. Sholing created club history by reaching the First round proper of the FA Trophy for the first time, losing out in the tie to a very good Bath City side. Off the pitch, the new clubhouse was opened in December by James Beattie. Also, plans have been approved for a new changing room building and we secured new naming rights for the ground to be called the Mackoy Stadium. During the lockdown we lost club stalwart Ray Tyrrell another club legend who will be sorely missed.

**Referee:** Phillip Eade **Assistants:** James Long & Devon Campbell **Man of the Match:** Dan Mason

**Attendance:** 294

**Dan Mason smashed a hat-trick as the Boatmen advanced into the 3rd Qualifying Round of the FA Cup. Dan Mason opened the scoring with a typical classy finish and doubled it with a penalty before half time. The home side scored from a spot kick of their own, but the striker wrapped up the win with another great finish to send Sholing into Monday's draw.**

**Team News :** Dave Diaper kept an unchanged starting line up from midweek, but Nick Watts missed out through injury. Saltash may have been the lowest ranked team left in the FA Cup, but up to this point, they had been the giant killers of the competition, beating 3 teams from above them, including Paulton & Cirencester from our division, so were not to be taken at all lightly.

After leaving the Mackoy Stadium at 8am in a deluge of rain, the team made the long trek down to Cornwall, where thankfully most of the heavy rain had not fallen, although there was a very blustery wind blowing down the length of the pitch. After an even start, the Boatmen took the lead on 11 minutes when Charlie Wagstaffe won the ball on the half way line, fed Claudio Herbert who advanced and picked out **DAN MASON** just outside the area and Sholing striker smashed the ball low into the far corner for a great goal.

Saltash had a chance to equalise, but a shot in a good position was pulled wide of the near post. There was a blow to the Boatmen when Charlie Wagstaffe clashed heads and had to go off with a bleeding nose. Owen Roundell came on to join Captain Byron Mason in the middle of the park. Sholing doubled their lead just before half time when following a corner, a long throw into the box saw Dan Mason tap the ball back to PJ McLean who was fouled in the motion of shooting. **DAN MASON** firmly shot home the penalty just inside the left hand post. **HT 0-2**

Dave Diaper had to make another enforced change for the restart, with Joe Smith replacing the injured TJ Cuthbertson picking up an injury late in the first half and he slotted into the right back position. Now with the wind at their backs, Saltash threw bodies forward and following a scramble in the area, the referee pointed to the spot. Saltash captain, **Dave Barker** slotted home the penalty to get the home fans well behind the "Ashes".

Saltash won a succession of corners and freekicks, but the Sholing defence held firm, clearing everything that came at them with Ryan Gosney also doing well to both claim and tip some swirling crosses over his bar. The Boatmen weathered that storm and extended their lead when a long clearance by Ryan Gosney, was brilliantly volleyed, first time, by Jake Hoole into the run of **DAN MASON**, who shrugged off his marker, rounded the keeper and slotted the ball into the empty net for his 226th goal for the club and his 12th hat-trick. Remainder of the game, saw Saltash not let their heads drop and continue to press forward and win corners and freekicks, but they couldn't find their way past a well organised and hard working Boatmen team performance as Sholing avoided the banana-skin and advanced into the 3rd Qualifying round, to match as far as the club has ever gone in the FA Cup.

**FT 1-3**

**Dave Diaper said :** *Great performance in the FA Cup against a very good side Saltash United. No way a Step 6 Club. We had to be at our best both mentally and physically to get through. I don't very often go public with praise for my Sholing Boys, but give credit where it's due, well done lads, including those who didn't get on, great attitudes to a man. Thanks to Saltash for the hospitality and good luck for the rest of the season.*

**Chairman, Gerry Roberts said :** *A massive thank you to everyone who travelled down to Saltash today. The boys did us proud against a very good side. Our supporters were a credit to the club. Many thanks to everyone at Saltash United who looked after us fantastically. The boatmen march on! Let's Hope we get a favourable draw on Monday*

HERE WE go again. This week, Boris Johnson urged people to go back to the cinemas following the sad decision of Cineworld to temporarily close its 127 theatres across the UK, affecting 45,000 jobs. It comes at the end of a damning week for the film industry with the launch of the forthcoming James Bond film No Time To Die being put back to 2021.

Sadly, it's an all-too familiar story in these strange Covid times, bearing a striking comparison to the football industry, which too has been left to pick up the pieces from the effects of the global pandemic. So, the question remains then Boris, if you are pleading with people to go back to watching films in the cinema - a small, enclosed arena with very little room for manoeuvre or ventilation - then why can't fans return to football in a much larger, outdoor, socially-distanced environment?

Last Saturday, 15 Vue Cinemas - Cineworld's main market rival - showed live Premier League matches, well attended by fans. How can you watch football in a cinema but not an open-air stadium? That's madness.

Quite frankly, I'm amazed - and mightily relieved - that more proud, well-established football clubs haven't fallen foul to these testing Covid times and credit for that lies with the people who work tirelessly - usually without financial reward - to keep our clubs alive.

But, with a second Coronavirus wave threatening to kick in and tougher restrictions gradually being put in place, there comes a point when something has to give, as Cineworld have shown.

Last week's £10m Government bailout to the National League at least papers over the cracks for a few months but, at the time of writing this, clubs are still waiting for news of their reimbursements almost a week on and with their season already underway.

Indeed, poor communication throughout has been a huge issue during this uncertain summer and that's something that needs to be addressed in any future Covid post mortem.

Personally, I'm still dismayed by a lack of assistance, and greed sometimes, of the mega-rich Premier League and its member clubs during this crisis.

No fewer than six players in Gareth Southgate's England squad for this week's friendly with Wales and Nations League games against Belgium and Denmark boast a Non-League background. Doesn't that show that football at this level is impacting higher up the Pyramid?

In the week when Macclesfield Town were wound up by the High Court for debts totalling £500,000, Chelsea were spending £22 million for a replacement goalkeeper.

A couple of weeks later, Arsenal then opted to severely damage their once proud community ties by dumping its much-loved mascot Gunnersaurus - for the sake of £120-a-week - before then spending £45 million on Thomas Partey.

Obviously, I'm not suggesting bailouts of those proportions but what a gesture it would be from the 20 Premier League clubs if they put aside, say, £1 million each, to strengthen their community ties when it is needed most and keep their local clubs alive?

Cineworld's demise is a worrying turn of events for the entertainment industry, of which sport plays a significant part.

Agreed, Boris, let us support our cinemas, theatres and music venues - socially distanced, of course - but how about including football stadiums in that too?
